

AT&T Cabling Systems REACH Position and Statement

Date: 26 January 2022

REACH is the European Community Regulation on chemicals and their safe use (EC 1907/2006). It deals with the Registration, Evaluation, Authorization and Restriction of Chemical substances. The law entered into force on 1 June 2007. Detailed information can be found here:

<https://echa.europa.eu/substances-of-very-high-concern-identification-explained>

This statement updated based on ECHA Decision No. D(2021)10043-DC dated 17 January 2022, amending Regulation (EC) No. 1907/2006 & No. 276/2010 of the European Parliament and of the Council on the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH).

The present Candidate List of Substances of Very High Concern for Authorization can be found at <https://echa.europa.eu/candidate-list-table>.

1. AT&T Cabling Systems supports the basic aim of REACH in improving the protection of human health and environment through better and earlier identification of intrinsic properties of chemical substances which may adversely affect humans, animals and plants.
2. All AT&T Cabling Systems products are “articles” which do not require pre-registration.
3. AT&T Cabling Systems does not intentionally add to its products any of the substances in the Candidate List of Substances of Very High Concern for Authorization.
4. AT&T Cabling Systems does not produce, sell, transport, purchase or use any of the substances in the Candidate List of Substances of Very High Concern for Authorization.
5. AT&T Cabling Systems will continue to follow all relevant updates of the EU regulations and ECHA decisions and to provide its customers all information about substances in its products as required.

For more information on the subject pls contact our Public Relations Dept. at http://cabling.att.com/uae_form.html?who=pr

Sincerely

Cihat Tunçbilek
