

AT&T Cabling Systems in GITEX 2015

AT&T Cabling Systems was present at GITEX 2015 in Dubai showing its state of the art LAN cabling solutions. During the exhibition, the AT&T Cabling Systems team met visitors and showcased new products.

GITEX ("Gulf Information Technology Exhibition") is an annual consumer computer and electronics trade show, exhibition, and conference that takes place in Dubai. GITEX is the 3rd largest technology event on the planet where attendees can find the latest technologies and can meet dozens of companies.

The AT&T Cabling Systems products have gained a tremendous interest leading to several substantial leads and prospects.

AT&T Cabling Systems provides complete and state-of-the-art LAN cabling solutions and components for all needs of enterprise customers. Our high-performance network infrastructure solutions based on innovative designs and highly advanced technology are the first choice for all applications. Combining unmatched reliability with the unparalleled AT&T Millennium™ Lifetime warranty, AT&T Cabling Systems is your key to years of fail-safe and trouble-free operation, minimizing system downtime and maximizing your profits.
