

AT&T Cabling Systems Event at Hisham Qattan Establishment Amman, Jordan, May 10th 2016

AT&T Cabling Systems and Hisham Qattan Establishment provided an opening event in Amman for end users and consultants in which AT&T Cabling Systems products and innovations were presented and discussed. Jordan is a potential hub for business in and around Jordan, as well as supporting Iraq, Saudi Arabia and Lebanon.

Mr. Hisham Qattan, founder of HQ Establishment, opened the event portraying the successes for AT&T Cabling Systems in Citibank, German Jordan University, Jadera University, Kerak Hospital and many more projects and announced the AT&T Millennium™ Lifetime Warranty granted to the German Jordan University project.

Mr. Bassam Qattan, Sales Director at HQ Establishment, said: "AT&T Cabling sessions were rich in technical knowledge and new ideas. At the end of the event, participants were more informed and up to date with AT&T Cabling products and technologies."

Mr. Andrew Galston, Regional Manager of AT&T Cabling Systems, highlighted the history of AT&T with a brief overview of its diverse product range covering CopperLine™, FiberLine™, CenterLine™, RackLine™ and OutdoorLine™. "Today was a great show, with an excellent turn out. Many thanks to Hisham and his team and to everyone who came. It gave us the opportunity to refresh and differentiate ourselves in the market and inform the people about the new technologies penetrating the market, providing improved operational efficiencies by administering simple changes passively through the right cabling investments" – said Mr. Galston

Taif Shakir, Technical Manager for AT&T Cabling Systems, gave an overview of our design, training and the AT&T Millennium™ Lifetime Warranty. He was followed by Hany Mostafa who introduced and demonstrated our new Secure Port-LockLine™ Solution. He also presented our successes in the various markets including government, tourism, sports and leisure industries.
