AT&T Cabling Systems New Distributor in Benelux: Kannegieter Electronica BV

AT&T Cabling Systems announces the appointment of a new distributor, Kannegieter Electronica BV, complementing the existing channel reseller network, covering Netherlands, Belgium and Luxemburg. The agreement grants Kannegieter distribution of the complete AT&T Cabling Systems product portfolio, including AT&T CopperLine™, AT&T FiberLine™, AT&T CenterLine™, AT&T RackLine™, AT&T OutdoorLine™ and AT&T Port-LockLine™.

Mr. Frank Marree, CEO of Kannegieter, is more than satisfied with this new collaboration. "As a business partner and manufacturer, AT&T Cabling Systems has a vision on knowledge, experience, quality and delivery reliability that links up perfectly with the goals set by Kannegieter."

Mr. Udo Steffens, AT&T Cabling Systems Business Development Director for Europe, said: "We are very happy that to appoint Kannegieter as distributor for Benelux. Kannegieter is well known and deeply established in the IT market and it has an excellent reputation as a professional and specialized distributor for Data Networks. I am confident that the added value contributed to our solutions by Kannegieter Electronica will boost our business in this region and will be a key factor in our mutual success."
