AT&T Cabling Systems New Distributor in KSA: Z&H Technologies

AT&T Cabling Systems announced the appointment of Z&H Technologies Distribution as new distributor in Saudi Arabia, complementing the existing channel reseller network. The agreement grants Z&H Technologies distribution of the complete AT&T Cabling Systems product portfolio, including AT&T CopperLine, AT&T FiberLine, AT&T CenterLine, AT&T RackLine and AT&T OutdoorLine.

"Z&H Technology Distribution (www.zdh.tech) is our new partner in the Eastern Region of Saudi Arabia. The Saudi Arabia market is one of the largest in the Middle East and AT&T Cabling Systems searched for excellent partners with long term experience in Saudi Arabia to help grow our presence there. Z&H Technology Distribution saw enormous potential to leverage its existing relationships to bring AT&T Cabling Systems back in the forefront of Government, Education, Healthcare and Oil & Gas customers. As we move into 2016, the list of references grows day by day. We are proud to have partnered with such a strong company in Saudi Arabia." said Andrew Galston, MEA regional manager of AT&T Cabling Systems.

AT&T Cabling Systems provides complete and state-of-the-art LAN cabling solutions and components for all needs of enterprise customers. Our high-performance network infrastructure solutions based on innovative designs and highly advanced technology are the first choice for all applications. Combining unmatched reliability with the unparalleled AT&T Millennium™ Lifetime warranty, AT&T Cabling Systems is your key to years of fail-safe and trouble-free operation, minimizing system downtime and maximizing your profits.
